Invite your family and friends!

Come and start the New Year with some family fun!

Join us at our first FAMILY GAME NIGHT! You and the whole family will have the opportunity to try out various family friendly Gamewright games at stations that will be set up around DCLC campus. Try out as many games as you want. If your family is enjoying the game, they can be purchased that night through Game Wright who will be hosting this fundraiser. Half the proceeds from purchased games will go directly to DCLC. There will also be pizza and snacks available for \$3 per person if you would like to have dinner while playing games with your family. We are looking forward to seeing you there! (please let us know how many will be attending so we can pre-order pizza)
